1	CAUTION:	TO BE OBSERVED BY THE TRANSPORT AUTHORITY	I sell so the sell sell sell sell sell sell sell se				

The tamper proofness of the SLD installation has been ensured, on the vehicle submitted for type approval. However the Transport Authorities are requested to verify and authenticate each and every vehicle model for sealing of mechanical joints between SLD, Accelator Padel, etc. This is to safeguard against mechanical tampering of SLD. This has to be ensured for compliance at all the time. Individual transport authorities will have to evolve suitable mechanism for this proposal.
