DISCLAIMER

1. ICAT issues "Conformity of Production (CoP) Certificate" for vehicles/ engines/gensets/ parts/ assemblies etc., based on the documents produced and/or testing carried out on the selected sample(s) as per the provisions of specific rules.
2. Sample selection procedure is in compliance to Motor Vehicle Act/ Central Motor Vehicle Rules/ Central Pollution Control Board Rules and their provisions as amended from time to time or any other statutory orders under which ICAT is authorized. Other Parameters/Rules/Acts are outside the purview/scope of the CoP.
3. Test(s) on selected sample(s) is/are carried out only on the parameters as covered under the specific rules /procedures. Results of such tests are property of bearer of CoP certificate. These results cannot be disclosed unless specifically so ordered by Government, Court, etc.
4. Other parameters of the vehicles/ engines/gensets/ components/ parts/ assemblies etc are outside the purview/scope of CoP.
5. The bearer of the CoP certificate is under the obligation to ensure production strictly as per the provisions of the specific certificate
6. ICAT is not responsible for ensuring manufacturing quality of the approved vehicles/ engines/gensets/ components/ parts/ assemblies etc.
7. ICAT is in no way responsible for any misuse of copying of any design/type/system in connection with entire vehicle/ engines/gensets/ components/parts and assemblies covered under the CoP certificate.
8. Breach of any statutory provision of Indian laws or laws of other countries will be sole responsibility of the bearer of the CoP certificate and ICAT shall not be liable for any claims or damages, whatsoever. The bearer shall alone be liable for the same, and shall undertake to indemnify ICAT in this regard.
9. ICAT has the right, but not under obligation to initiate cancellation / withdrawal of the certificate issued, in case of any fraud, misrepresentation, when it surfaces and comes in the knowledge of ICAT.

The appropriate local court at Guruqram shall have the jurisdiction in respect of any dispute, claim or liability arising out of this

SECURITY FEATURES

This certificate has the following security features:

1. Ultraviolet (UV) printing : This certificate contains following the information printed in UV ink which can be read only under UV torchlight:
 - a) Unique number (below the certificate number on the top left side)
 - b) ICAT seal and ICAT logo (bottom centre and bottom right side)
2. Pantograph (top left) : On photocopying this document, the word 'COPY' will appear in the box
3. Reverse Pantograph (top right) : On photocopying this document, the text will not appear in the box
4. Troy Mark (diagonally in the background) : The water mark consists of company name, certificate number & date and model name
5. Micro text (top left & right and below signature) : The thin hairline consists of certificate number & date and model name
6. Secure Mark (topmost right) : This QR code consists of company name, certificate number & date and model name using the securedocs app available for smartphones
7. Serial Code (centre right side) : The bar code consists of the information related to the print date, machine & other information
